June Calendar Guide

The Joyful Play Project

Supplies

Pipe cleaners
Beads
Kiddie pool
Dish soap
Hula hoops
Water balloons
Jump rope
Flashlights
Plastic spoons
Eggs
Buckets
Cups
Sheet or blanket
Sidewalk chalk
Stones
Paint pens or paint and brushes
Lemons
Sugar
Watermelon
Shaving cream

Activity Details

Giant bubbles

Mix dish soap with water and use a hula hoop to dip and slowly lift giant bubbles into the air.

Spoon and egg relay

Balance an egg on a spoon and race to the finish line without dropping it, then pass it to the next teammate. If limited players, make it a race with putting obstacles in your path!

Water balloon target practice

Fill water balloons and try to throw them at a target on the ground or wall to see how close you can get.

Kiddie pool bubble hunt

Fill a kiddie pool with water and bubbles, then search through the foam to find small hidden objects.

Nature mandala

Collect leaves, stones, and flowers outside and arrange them in a circular pattern on the ground to make a nature design.

Parachute games

Hold onto the edges of a sheet or blanket and work together to shake, lift, and wave it to create ripples, waves, and group games.
